At seven the drawe in a closed carriage, owing to the argument blater Banin and watered the fireworks and thence drove to the rail-way stat on, deave arounds of people cheer-ing bin till the train started. Count Von Molike directable that day, was an object of special attentia. The streats were atmost unpassable. The Emperor arrived at 1-redes kierube at 8 o clock. The town we decorated with dags and disaminated in honor of the Emperor, the fire brigade forming a guard of hodor, and Bismarck was wanning at the station. The Emperor greated Bismarck most heartly and they drove together to castle during a heavy rain and the ringing cheers of thousands. the fireworks and thence drove to the rail-

Paris Colsbrates the Statue of Liberty PARIS, Oct 29 A bacquet was given at Holel Continental this evening to com-memorate the dedication of the statue of Liberty Eulighening the World, given by

Liberty Enlighening the World, given by the French people to the United States. See Millane, American Minister and M Goblet, French Minister of Foreign Affilia wate present. The American Minister replying to a tosst said:

Before giving the emblem you had given the thing itself Als great trathd on which the modern social order is based were calaborated and spread through-out the world by Freuch genine. We received them with prior and finished by developing them. If we have succeeded to reconciling the liberty of each with the liberty of all we caused forget that the get means from France. The modern world gravitates toward the publical orbit traced by France and America. The symbol which the states of Liberty refers to will become a reality.
